

## 2018 DOUBLE DIAMOND CABERNET SAUVIGNON

### FROM THE CREATORS OF SCHRADER CELLARS

In 2000, Fred Schrader created Double Diamond as part of his continuing quest to make the best Cabernet Sauvignon that Napa Valley can offer. This unique expression of the region carries on the tradition of earning critical acclaim and drawing passionate fans that Fred began in 1998 with Schrader Cellars. After a three-year hiatus, Double Diamond returned by popular demand in 2018.

### CRAFTED BY RENOWNED WINEMAKER THOMAS RIVERS BROWN

Over the course of a nineteen-year collaboration with Fred Schrader, Thomas has led Schrader Cellars to an unprecedented record of twenty-seven 100-point scores from some of the world's most respected critics.

### EXCLUSIVELY OAKVILLE

The Oakville AVA nestles between the Vaca and Mayacamas mountains. Blessed with highly diverse, resilient soils and an ideal blend of sun, cooling wind, and rain, this narrow swath of Napa Valley produces some of the most sought-after Cabernet Sauvignon in the world.

### VINTAGE 2018

**APPELLATION** Oakville, Napa Valley

**VARIETAL COMPOSITION** 100% Cabernet Sauvignon

**ALCOHOL** 14.5%      **PH** 3.86      **TA** 5.2 g/L

**BARRELS** French Oak, 50% New      **AGING** 16 Months

Prepare to be dazzled by this wine, with its harmonious integration of decadent fruit, refined structure, and exotic spice components. In the glass, the wine possesses a dark plum-purple hue. Intriguing aromatic notes of Mexican chocolate, nutmeg, brambly fruit, spearmint, and violets swell from the glass in concert. Upon entry, the mouthfeel is voluptuous, sleek, and inviting, while also exhibiting a silky tannin profile to provide a complex framework. Rich palate notes suggest black currant, blackberry reduction, leather, crushed rock, and allspice. This wine is very enjoyable and showing well today, but with 3-5 years in the cellar it will develop into an even more beautiful expression of the vintage.

Please enjoy our wines responsibly. © 2020 Schrader Cellars, Oakville, CA
